#### Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		Being a government institution the syllabi for UG classes is provided by Higher Education department at the beginning of each session. This is then followed with upto 25% changes if necessary. These changes are brought before the BOS and finalized. Regular teaching and completion of courses in time is the thrust area of the college. Hence time table of the entire institute is made initially and then distributed to the respective department. The heads of the department then allot the portion to the faculty members. Teaching plans are made and followed accordingly. Two internal assessments are incorporated in the curriculum. The assigned course for each test is duly completed in time and monitored by the head in turn. In case of long leave of a teacher alternate arrangements are made at the department level. Extra classes are also arranged in case of pending courses. Lecture series/ workshops/ seminars also form a part of the curriculum. The heads of the department assure that the theory portion is completed before the commencement of final Practicals. If the courses of some paper is completed earlier the given time slot is then provided to the other faculty whose course is lagging behind. Remedial classes for weak students are arranged in every subject. Revision classes and doubt clearing sessions are also made available. Maintenance of daily diaries and attendance register is mandatory for all faculty members, which are checked by the heads and later signed by the Principal.
