Home Science and Science for Women (Autonomous) Jabalpur (M.P.) 482002 to collaborate in basic and applied research programs, organizing joint seminars, conferences workshops and sharing research projects and publications.

PREAMBLE

Whereas, State Forest Research Institute (SFRI), Jabalpur established in 1963, is a research institute focusing its research activities in the fields of forestry research and biodiversity conservation in Madhya Pradesh. It has strength in not only identifying and articulating intellectual challenges straddling a number of disciplines of knowledge but also in mounting research, training and demonstration projects leading to development of specific problem based advanced technologies that help carry benefits to society at large.

Whereas, On July 15, 1954 Govt. M.H. College of Home Science and Science For Women came into existence with only Home Science classes. Mr. Parmanand Bhair Patel's, firm Mohanlal Hargovinddas donated Rs. One Lakh for the establishment of the college. On April 27, 1956 the foundation stone was laid down on 11 acres of land, situated in the heart of Jabalpur city, by the chief minister of MP. The college is affiliated to Rani Durgavati Vishwavidyalaya, Jabalpur which awards degrees to the students. University Grants Commission, New Delhi implemented the Autonomous Scheme in 1979. The M.H. College is one of the pioneering institutions of Madhya Pradesh that adopted the autonomous system in the Higher Education in 1988-89. On the recommendation of UGC peer team the Autonomous status of the college has been extended up to the year 2012 - 2013. NAAC accredited the college with A grade in 2012. The college was selected in the UGC scheme "Colleges with Potential for Excellence" in 2004. That time M.H. College of H.Sc & Science for Women was the only Women college of the M.P. to be selected with 73 other colleges from all over the country.

State Forest Research Institute (SFRI), Jabalpur and Govt. M.H. College of Home Science and Science for Women (Autonomous) Jabalpur (M.P.) INDIA have agreed to collaborate with the following general provisions and terms:

Article 1: Objective

Providing a general framework for long term collaboration and mutual understanding in areas of mutual interest, pertaining to develop tropical ecosystem, collaboration in education and publication between State Forest Research Institute, Jabalpur and Govt. M.H. College of Home Science and Science for Women (Autonomous) Jabalpur (M.P.).

Article 2: Scope of Collaboration

Subject to terms, this MoU signed by authorized representatives of each party, the parties hereby agree to cooperate as follows :

To offer collaboration as felt desirable and feasible on either side, and both sides would contribute to the fostering and development of the cooperative relationship between respective organization on identified areas of research and education.

Article 3: Scope of MoU

The scope of collaboration of this Memorandum includes the following:

- Research collaboration in the areas of mutual interest, particularly those pertaining to Wildlife, Forestry, Environment Science, Agriculture and other allied subjects.
- Organizing joint seminars, webinars, conferences, training and workshops.
- Joint research project and publications.

- Exchange of research scholars/faculties for research collaboration and capacity building programmes.
- Internship opportunities at State Forest Research Institute, Jabalpur for the students of Govt. M.H. College of Home Science and Science for Women Jabalpur as per norms of the Forest Department.

Article 4: Management

Director of the First Party and Registrar/Head of the Institution of the second party will be responsible to workout operational details of co operation between the two organizations and ensure proper and effective implementation of this MoU.

The Advisory Committee will meet at least once in a year alternatively in the institutions of the first party and second party to review the activities. This meeting shall include presentation on the academic and research activities which should be open to the scientists, faculty and students.

Article 5: Implementation

To implement this Memorandum the following is mutually understood and agreed:-

- Two nominees from each institution will constitute a joint Co-ordination Committee to oversee collaboration between two parties.
- Each institution will nominate one of its expert members as its representative in charge of any cooperative program on each identified thematic area.
- Proposals for collaborative research work under this Memorandum will be submitted through the normal procedures of each institution.
- Individual projects/programmes of research work developed under this memorandum and/or capacity building programmes will be subject of individual agreements in writing clearly spelling out commitments and liabilities of both the parties and where appropriate will be jointly developed and executed by the nominees of both the parties.
- Each party will ensure appropriate protection of intellectual property rights generated from cooperative pursuant to MoU, consistent with laws, rules and regulations of India.
- Progress of work of any individual collaborative research project/programme will be reviewed and approved by designated project officers of both parties, in accordance with its individual agreement.
- The final approval of any collaborative research project/programme will depend on the availability of the guaranteed support funds.
- Neither State Forest Research institute nor Govt. M.H. College of Home Science and Science for Women (Autonomous) Jabalpur will be held responsible for any liability, and neither party shall be required to purchase any insurance against loss or damage to any personal/institutional property to which this Memorandum relates.
- Research instrumentation facility and library facilities available with the first party and second party will be made available to the scientists, faculty and research scholars. However, the costs of specific consumable will be borne by the respective organization.
- The use of scientific equipment by either of parties will be allowed by either side on the realization of charges in vogue. However, owing to signing of this MoU there will not be any financial implications on the part of either parties.
- There shall be an exchange of scientists, faculty and students for academic research and training purposes. Wherever possible as per extent fee.

- Both parties understand that all financial agreements will have to be negotiated separately and will depend on availability of funds.

Article 6: Intellectual Property Rights (IPR)

The parties sign an Intellectual Property Rights (IPR) document in order to secure rights when it comes to research results and publications.

Article 7: Limitations of Personnel Activities

The parties shall ensure that any personnel engaged in the activities and/or programs under this MoU shall not interfere with the internal functioning of the latter, any commercial ventures, and avoid any activities outside the aims of this MoU unless separate written arrangement is undertaken between the two parties.

Article 8: Confidential Information

Each part's rights, title, interest in its confidential information remains unaffected by the existence of this MoU.

- Neither party is obliged to disclose any confidential information to the other party pursuant to this MoU and each party undertake to observe confidentiality and secrecy of any information and other data received from the other party, and any outputs jointly obtained, except as mutually consented to in writing by the other party, during the period of the implementation of activities under this MoU or any arrangement made pursuant to this MoU.
- Any disclosure or exchange of confidential information will be covered in separate subsidiary arrangements.

Article 9: Commencement, renewal, termination and amendment

The Memorandum shall be effective from the date of its execution by the appropriate officer of each organisation. This Memorandum shall remain in force for a period of five (5) years from the date of signing, with the understanding that it may be terminated by either party giving at least three months' notice to the other party in writing. This Memorandum may be extended by mutual consent in writing of the two parties.

Article 10: Dispute Settlement

Any dispute, controversy or differences as to the interpretation of this MoU will be settled amicably by mutual consent between the Parties.

Article 11: Validity of MoU

This MoU shall enter into force on the date of the completion of the signing by the parties. It shall remain in force the duration of 5 (five) years from the date of signing of this MoU and may be extended by mutual written agreement of the parties.

Either party may terminate this MoU at any time by notifying the other party of its intention to terminate this MoU in writing.

Unless agreed otherwise by the parties, the termination of this MoU shall not affect the validity and duration of any on-going arrangement, activity and contract made under the MoU until the completion of such arrangement, activity and contract.

In WITNESS WHEREOF of the undersigned, duly authorized thereto, have signed this MoU done at State Forest Research Institute (SFRI), Jabalpur on the 6th May/2024 originals.

MEMORENDUM OF UNDERSTANDING BETWEEN

ICFRE - Tropical Forest Research Institute, Jabalpur (M.P.)

And

Govt. M.H. College of Home Science and Science for Women
(Autonomous) Jabalpur (M.P.) INDIA

For facilitating Academic and Research

This Memorandum of Understanding (herein after referred to as MoU) is made on 14. day ..MAY.....month 2024 by and between the **ICFRE- Tropical Forest Research Institute (TFRI), Jabalpur (M.P.)** (First Party) on the one part and the **Govt. M.H. College of Home Science and Science for Women (Autonomous) Jabalpur (M.P.) INDIA** (herein after called second party) on the other part who for the purpose of this MoU are herein after collectively referred to as the parties.

The parties, having discussed fields of common research interests and allied activities between the two institutions, have decided to enter in to collaboration for promotion of basic and advance research in subject of Forestry, Botany, Zoology, Environment Science, Agriculture and other allied subjects.

WHEREAS the "First Party" is involved in the educational & research including forestry education and advance research on Natural Resource Management and Environmental Impact assessment, Soil science, Forest protection, Biodiversity conservation, Non Timber Forest Products, Tissue culture and Biotechnology. Capacity building and knowledge sharing on different aspects of natural resources and their sustainable development.

14/5/24

WHEREAS the "**Second Party**" is involved in basic and advanced research in subject of plant science, animal science, chemical science and environment sciences.

BACKGROUND

This MoU sets for the terms and understanding between the ICFRE- Tropical Forest Research Institute (TFRI) Mandla Road, Jabalpur, Madhya Pradesh- 482021 and **Govt. M.H. College of Home Science and Science for Women (Autonomous) Jabalpur (M.P.) INDIA - 482002** to collaborate in basic and applied research programs, organizing joint Seminars, Conferences/Workshops and sharing research projects, publications and students internships.

PREAMBLE

Whereas, **ICFRE- Tropical Forest Research Institute** established in April 1987, is a research institute focusing its research activities in the fields of forestry research in Central India states viz., Madhya Pradesh, Chhattisgarh and Maharashtra. It has strength in not only identifying and articulating intellectual challenges straddling a number of disciplines of knowledge but also in mounting research, training and demonstration projects leading to development of specific problem based advanced technologies that help carry benefits to society at large.

Whereas, On July 15, 1954 **Govt. M.H. College of Home Science and Science for Women** came into existence with only Home Science classes. Mr. Parmanand Bhai Patel's, firm Mohanlal Hargovinddas donated Rs. One Lakh for the establishment of the college. On April 27, 1956 the foundation stone was laid down on 11 acres of land, situated in the heart of Jabalpur city, by the chief minister of MP. The college is affiliated to Rani Durgavati Vishwavidyalaya, Jabalpur which awards degrees to the students. University Grants Commission, New Delhi implemented the Autonomous Scheme in 1979. The M H College is one of the pioneering institutions of Madhya Pradesh that adopted the autonomous system in the Higher Education in 1988-89. On the recommendation of UGC peer team the Autonomous status of the college has been extended up to the year 2012 - 2013. NAAC accredited the college with A grade in 2012. The college was selected in the UGC scheme "Colleges with Potential for Excellence" in 2004. That time M H College of H Sc & Science for Women was the only Women college of the M P to be selected with 73 other colleges from all over the country.

ICFRE - Tropical Forest Research Institute, Jabalpur and Govt. M.H. College of Home Science and Science for Women (Autonomous) Jabalpur (M.P.) have agreed to collaborate with the following general provisions and terms :

Article 1 : Objective

Providing a general framework for long term collaboration and mutual understanding in areas of mutual interest, pertaining to develop tropical ecosystem, collaboration in education and publication between ICFRE- Tropical Forest Research Institute and **Govt. M.H. College of Home Science and Science for Women (Autonomous) Jabalpur (M.P.)**.

Article 2 : Scope of Collaboration

Subject to terms, this MoU signed by authorized representatives of each party, the parties hereby agree to cooperate as follows :

14/5/24

To offer collaboration as felt desirable and feasible on either side, and both sides would contribute to the fostering and development of the cooperative relationship between respective organization on identified areas of research and education.

Article 3: Scope of MoU

The scope of collaboration of this Memorandum includes the following:

- Research collaboration in the areas of mutual interest, particularly those pertaining to Forestry and other allied subjects.

Article 4: Management

Director/ Group Coordinator Research (GCR)/HOD of the First Party and Registrar/Head of the Institution of the second party will be responsible to workout operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.

The Advisory Committee will meet at least once in a year alternatively in the institutions of the first party and second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the scientists, faculty and students.

Article 5: Implementation

To implement this Memorandum, the following is mutually understood and agreed:

- Two nominees from each institution will constitute a Joint Coordination Committee to oversee collaboration between two parties.
- Each institution will nominate one of its expert members as its representative in charge of any cooperative program on each identified thematic area.
- Proposals for collaborative research work under this Memorandum will be submitted through the normal procedures of each institution.
- Individual projects/programmes of research work developed under this memorandum and/ or capacity building programmes will be subject of individual agreements in writing clearly spelling out commitments and liabilities of both the parties and where appropriate will be jointly developed and executed by the nominees of both the parties.
- Each party will ensure appropriate protection of Intellectual Property Rights generated from cooperative pursuant to MoU, consistent with laws, rules and regulations of India.
- Progress of work of any individual collaborative research project/programme will be reviewed and approved by designated project officers of both parties, in accordance with its individual agreement.
- The final approval of any collaborative research project/programme will depend on the availability of the guaranteed support funds.

14/5/24

- Neither ICFRE- Tropical Forest Research institute nor **Govt. M.H. College of Home Science and Science for Women (Autonomous) Jabalpur (M.P.)** will be held responsible for any liability, and neither party shall be required to purchase any insurance against loss or damage to any personal/ institutional property to which this Memorandum relates.
