FRAME OF UG COURSE OF  
FOUNDATION COURSE  
PAPER - ENVIRONMENTAL  
STUDIES***

**B.Sc./BHSC II Year**  
**F.C. Paper-III**  
**Environmental Studies**

- Environmental Studies is a multidisciplinary academic field which systematically studies human interaction with the environment.
- Environmental Studies paper-III in F.C. II Year, programs provide a wide range of skills and analytical tools needed to face the environmental issues of our world to head on.
- Through this paper students gain the intellectual and methodological tools to understand and address the crucial environmental issues of our time and the impact of individuals, society and the planet.
  1. It helps to create awareness among today's generation about environmental problems.
  2. It helps them to understand the importance of resources and their preservation in our daily lives.
  3. It teaches them about the Ecology, Eco-system, Natural resources, Importance & Conservation of Biodiversity, Pollution and problems concerned with the environment.
