About the College

Govt. M.H. College of Home Science & Science for Women, Jabalpur, is a premier institution dedicated to women's education and empowerment. The college fosters an environment of academic excellence, creativity, and holistic development. With a focus on innovation and quality education, it continually strives to nurture intellectual curiosity and research-oriented learning among students and faculty.

About the Webinar

In the era of rapid digital transformation, teaching-learning methodologies are evolving beyond traditional boundaries. This National Webinar aims to explore creative, learner-centered, and technology-integrated approaches that make education more interactive, inclusive, and impactful.

The session will bring together eminent academicians and practitioners to share innovative strategies, classroom practices, and experiential insights relevant to 21st-century education. It will enhance learning outcomes and foster creativity in education.
