In 1956, the states of Madhya Bharat, Vindhya Pradesh, and Bhopal were merged into Madhya Pradesh, and the Marathi-speaking southern region Vidarbha, which included Nagpur, was ceded to Bombay state.
- Jabalpur was chosen to be the capital of the state but at the last moment, due to political interference, Bhopal was made the state capital.

FIT INDIA FREEDOM RUN 2.0

Fit India Freedom Run was conceived last year when the government started following social distancing in a 'new normal' lifestyle, so as to keep the imperative need of fitness active even while following the social distancing norms. Dear Chief Secretary,

As you are aware, commemoration of Azadi Ka Amrit Mahotsav is being coordinated by the Ministry of Culture. One of the major events relates to the rendering of the National Anthem of India. My earlier letter to you on this subject of 29th July 2021 kindly refers. I again reiterate that the rendering of the National Anthem has to be done on <https://rashtragaan.in/>. The responses currently received indicate that information has yet not percolated, of if it has the response has been well below our expectation.

The person up-loading the National Anthem is issued a certificate. My request that a system be devised whereby the person uploading the Rashtragaan downloads that certificate and 'Whatsapps' it to a person of responsibility. This will not only be effective within your Departments of the State Government/UT, but shall prove equally useful in the Public Sector Units of the State/UT. This will improve the monitoring system, as also introduce a system of accountability.

May I suggest that this method of monitoring be adopted for better accountability. It will greatly help if a response to my request is sent by 03 August, 2021.

Yours sincerely,

 (Rajendra Singh)
