Innovation cell: Incubation Centre

2022-2023

Govt. M. H. College Incubation Center/ Innovation Cell Policy is Started with the following aims: -

- Encourage innovation and entrepreneurship: The cell aims to encourage students to think creatively and develop innovative solutions to real-world problems.
- Provide resources and support: The cell provides resources and support to students to help them transform their ideas into prototypes.
- MoU & collaboration: The cell fosters collaboration between students, faculty, and industry experts to promote innovation and entrepreneurship.
- Organize events and activities: The cell organizes events and activities such as workshops, seminars, and competitions to promote innovation and entrepreneurship.
- Monitor progress: The cell monitors the progress of students and provides feedback and guidance to help them improve.

The Incubation Center Function as follow:

- Facilitate the incubation process by creating profitable, scalable and sustainable business models with incubates.
- Provide state of the art laboratories and infrastructure.
- Create network of industrial and academic mentors.
- Generate access to institutions for prototype development and markets for pilot testing.

- Motivate institutions to create a culture of innovation and entrepreneurship among students and faculty.
- To focus deeply on the regions which do not have a desired entrepreneurship ecosystem.
- To provide grants to aid innovative ideas for rapid prototyping.

Council of Incubation Center:

- Principal of the institution as a chairperson of the board.
- Senior professor(s) involved in innovative and entrepreneurial activities of the institution.
- Distinguished alumni of university professional at senior levels in industry (if available) or alumni who are now successful entrepreneurs.
- Nodal Officer of incubator center.
- Senior industrialist/entrepreneurs as members.
- Members of incubation center.

Department of Botany and microbiology

Workshop

Date: 27&28 Dec. 2022

Lecture delivered by : Dr M.L. Kewat, Scientist JNKVV on Orgnic Farming

[illegible]

पर्याप्त है। इस दिशा में जैविक क्षेत्रों की विचारों के विकास और प्रगति की है। एनके के अंतर्गत मुख्य रूप से उपनिष्ठ रहे।

कर्मचारी के जीवन की केवल काता कि कैम्पस में ही कुछ चाहिए तो जैविक क्षेत्रों में नहीं। क्योंकि जिस तरह से जनसंख्या तेजी से बढ़ रही है कृषि पर बाड़ी निर्भरता पर अधिकतर के उपपादक के लिए आवश्यक है खासकर जैविक क्षेत्रों के स्वयं को अपनाए। इसलिए हमारे पास में कर्मचारी को कुछ समय पर एनकेमए एवं खासकर एनकेम के लिए उपनिष्ठ रहे।

तीसरा बात है कि 1990 के बाद से जैविक क्षेत्रों की भांति तेजी से बढ़ रही है। क्योंकि समय में कृषि में हो रही परिवर्तन हमारे देश के प्रदेशों में निर्देश परिवर्तन को ही नहीं करी पाए। अधिक उपनिष्ठ और की उपनिष्ठ का ही उपनिष्ठ है। जिसका सीधा असर हमारे जीवन में पर रहा है।

वनस्पति जाम्ब एव

जबपुत्र समायनों के अधिक प्रयोग, क्षमता से अधिक उत्पादन की तुलना से हमारे जैविक खाद्य पदार्थों को जैविकता बना दिया है। यही वजह है कि लोग अलग अलग भोजन करने के बाद भी बीमारियाँ का शिकार हो रहे हैं। समय रहते हुए हमें स्वास्थ्य मुक्त खेती की राह बनानी होगी। जैविक खेती से ही स्वस्थ भारत की मजबूत नींव रखी जा सकती है। ये बात हमें साइंस कॉलेज में आयोजित दो दिवसीय कार्यशाला में आगे विचारों को विकसित करने के लिए प्रेरित करेगी।

Date: 30-01-2023

Workshop on Waste Management

Date: 09-02-2023

Chief Patron
Dr. Smt. Leela Bhalavi
Additional Director,
Jabalpur Division Department
of Higher Education, Govt. of
M.P.

Patron
Dr. Nandita Sarkar
Principal,
Govt. M H College of Home
Science and Science for Women
(Auto.), Jabalpur

Convener
Dr. Kalpana Gupta
HOD, Department of Chemistry
IQAC Coordinator
Dr. B K Singh
Professor,
Department of Chemistry
Coordinator
Dr. Geeta Choubey
Assistant Professor,
Department of Botany

Clean & Green Chemistry
Awareness Program on save environment by
green initiatives

Workshop on 5R's of Waste Management
Refuse, Reduce, Reuse, Repurpose & Recycle

Organized by
Department of Chemistry in collaboration with
Department of Botany

Under the aegis of IQAC
Govt. M H College of Home Science and Science for Women (Auto.), Jabalpur
(M.P.)

Organizing Team
Dr. Kiran Singh
Dr. Archana Khare
Smt. Madhumati Jain
Miss. Nalini Misra
Dr. Mridula Dubey
Smt. Shubha Sinha
Dr. Manju Gupta
Dr. Leena Rai

Incharge
Dr. Mamta Singhai
Dr. Nisha Singh
Smt. Swati Tiwari

Day-3
**EVENT
SCHEDULE**

Date: 9 February 2023 Time 2:00 PM
Venue: ROOM NO 118
Talk, Demo, Exhibition, Quiz, Best Out of Waste, Oath

**HOSTED BY
PG STUDENTS**

Swarozgar Mela on Science Day

Date: 28-02-2023
